

Blessings On Wheels

We're Having a
COCKOUT!

Honoring Fathers

Greetings All:

For the month of June, we will celebrate Father's Day by grilling out and taking to the streets of Atlanta. On Wednesday, June 24th, we will spread the love and distribute food for those who are less fortunate than some. Our menu will consist but not limited to Hamburgers, Hot Dogs, Potato Chips, Baked Bean, Potato Salad, desserts, drinks and water. This may be the only meal that someone receive that day... so we will prepare it with love and distribute it as well with extra care...

Many of you have replied wishing to support as well as to help with this month's vision gathering. We are in need of all food items and really could use your support. We will **meet at Quick Tripp off of Wesley Chapel in Decatur on Wednesday 24th at 7:30pm** and head downtown from there. If your heart desires to be apart of this great blessing, please feel free to contact Keischa Robinson at (404) 820-6347 or via email at keischa4383@gmail.com.

Thanking you in advance for all your act of kindness, donations and time towards the vision, words can not express the gratitude I have for each and every one of you.

Loving, Living and Leading like Christ... Each month of 2015 I vowed to God that I would be a blessing to someone... That's my vision, what's yours?"

Stephanie
