

Grant-A-Wish for Christmas

Please help Sponsor a Child or a Family

One gift can make a difference!!!

It's that time of year again...

Blessings On Wheels will surprise **some pre-selected** families by granting their wish for Christmas and you can be a part of this life changing experience.

WE NEED YOUR HELP!!!

We are seeking sponsorship for families, donations of a new unwrapped toy for a child ages 2 to 15 or a gift card for a single parent.

All gifts are due no later than Saturday, December 19th. Blessings On Wheels will take to the streets on Christmas morning and be a blessing to those that are in need.

If you desire to be apart of this great blessing, please feel free to contact our Project Manager, Keischa Robinson at (404) 820-6341 or email at keischa4383@gmail.com.

Love, Live, Lead like Christ... Each month of 2015 I vowed to God that I would be a blessing to someone... That's my vision, what's yours?"
